Details:　This is a TCEA style programming contest intended to prepare your teams for the state competition. It is also meant to introduce high school students to the field of engineering and offer information on applying to college and making engineering a profession. The packet will contain engineering themed problems. The contest will follow the timetable below:

9:00a　Doors open to the public.
10:00a Practice round.
10:30a Contest begins.
12:30p Contest ends, computer pack-up.
1:30p　Lunch, information session, and awards.

.

The information session will offer guest speakers from various engineering disciplines to offer a glimpse at each field. Student organizations will also be present to offer their experience regarding life as an engineering student. The information session will be followed by the presentation of awards. The top three teams will receive trophies.

Registration: Registration may be completed earlier than, but no later than January 21, 2005. The registration fee will be $20. Payment can be made the day of the event. Please email tbp@egr.uh.edu for more information if you wish to attend.
